

Duke of Edinburgh Bronze Training Day, Medical Consent Form and Information Evening

Dear Parents

The Bronze Training Day is on **Wednesday 11 December** and is on-site with an external provider.

Teams

The provider will organise the students into teams at the start of the day to ensure they are in appropriate numbers. Minor adjustments can be made following the training day but these will be considered on a case by case basis due to the high numbers of students involved.

Training Day

Students will be off timetable for the training day. They will be expected to attend morning registration in their form rooms and then go to Hall for assembly. Their first session will be in the Hall which is where the assembly is so please ensure your child remains in the Hall after assembly. The day will be split into sessions on navigation, first aid, food, rucksacks and campcraft. Although elements of this will be completed in a classroom setting, some of the sessions will be outside; so, can I request your child attend school in non-uniform, waterproofs and wearing suitable shoes. The training day will conclude at the end of the school day at 3.20pm.

Parents Information Evening

Following the training day, we will be hosting a parents' information evening on **Wednesday 11 December at 7pm in the Hall** for the external provider to introduce you to the expedition section of the award; we will also supply you with further details about the expeditions such as information about locations and kit hire. Please, try your best to attend this information evening as it will be the only time you will meet the external provider prior to the practice expedition and many potential queries can be addressed at this time. Be aware there is no need for your child to attend as they will be told this information on their training day.

Finance

Unfortunately if you have not paid the first instalment by the Training Day your child will not be able to attend. I am sure you can appreciate that given the number of students that complete the Duke of Edinburgh Award across all levels why we must have this stance.

Ocean Rock Medical Consent Form

Please can you ensure you complete the Medical Consent Form which has been requested by Ocean Rock by **Monday 9 December 2024** as Ocean Rock will review these prior to the Training Day. They will be asked for their DofE ID number, this is visible on their eDofE app once they have logged in.

Additional Adjustments

Following on from the receipt of these consent forms myself and the external provider may contact you if we need further information or wish to discuss appropriate adjustments to support your child with the expedition section of the award.

eDofE Sections

Your child is enrolled on the eDofE system. As such they must ensure that as much of their eDofE section are filled in as possible prior to the training day.

Please can you check with your child that they have filled in information for their Skills, Physical and Volunteering and have pressed submit so that I can approve this. The website link is as follows- [Sign In | eDofE](#)

Kind regards

Chloe Rigby-Smith
